COMPACT CANISTER

The Mountain Top Evo features the smallest canister on the market, measuring just 8.28 inches in height by 9.93 inches in width.

ACCESSORY TRACK

Mountain Top retractable covers have built-in accessory tracks standard, compatible with racks from Rhino-Rack[®], Yakima[®], and Thule[®].

WATER DRAINAGE

The Six-Point water management system means the Mountain Top Evo can drain up to 10 gallons of water per minute.

SUPERIOR STRENGTH

With an over-400 lb weight capacity on top of the cover, the Mountain Top Evo can handle all your real world situations.

SLEEK INFINITY DESIGN

The Mountain Top Evo features a modern infinity edge top of bed rail design that improves water flow and gives you increased load capacity inside your truck bed.

RIGOROUS TESTING

Our tops go through rigorous testing in order to ensure that our products provide the highest quality and reliability as possible.

Built to protect your gear from the toughest environments, the Mountain Top Evo Retractable Cover sets the industry standard in design, quality, and functionality.

Ranch Fiberglass Warranty

These warranty policies apply to truck caps, covers, and commercial caps made by Ranch Fiberglass. For your warranty to be valid, you must register your purchase with our records center. The Ranch Fiberglass Limited Lifetime Warranty applies to structure and paint for the original owner of the original vehicle. The 1 Year Warranty covers all mechanical components. Full text of our extensive coverage warranty is on our website.
